

South Hills Golf Club
Week of May 1

Tee Box Renovation

🌟 Tee box upgrades coming soon! 🌟 Beginning in June we'll be adding new ladies/forward and senior tees across both the North and South course areas. As part of the renovations, many of the tee boxes will be made wider and moved forward for a more enjoyable golf experience. Work will begin on June 1 and the new tee boxes will be ready to play within two weeks. We'll be sure to share an update in mid-June when all the upgrades are complete. #southhillsgc #golfcourse #golf
